teachHOUSTON Internship Questionnaire

teachHOUSTON is actively seeking paid internship opportunities in and around the Houston area to provide you with practical experiences teaching diverse audiences while serving the school community through a variety of programs. Many of these opportunities are flexible in terms of hours required. To help us better understand the specific needs of the **teach**HOUSTON students the following survey has been designed. Please fill out the following questions so that we may find the best internship program for you.

1. Are you interested in becoming an Intern in the Fall 2008 semester? Yes No

2. If 'No' then please list when you would be interested, if at all: _____

3. How many hours would you be willing/able to work per week? (Circle one)

1-5 6-10 11-15 16-20 20+

4. Internships are meant to replace outside work. What would be a satisfactory per hour wage that would make you consider interning instead of having an outside job?

5. Some opportunities involve working in schools; other opportunities are collaborations with local nonprofit organizations that work with children. Which sounds more appealing to you, and why? (Circle one)
